**PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

**Telecommunications Division**  
**Carrier Branch**

**RESOLUTION T-16647**  
**April 18, 2002**

**RESOLUTION**

RESOLUTION T-16647. REVOCATION OF CERTIFICATES OF PUBLIC  
CONVENIENCE AND NECESSITY OF 22 COMPETITIVE CARRIERS  
FOR FAILURE TO COMPLY WITH COMMISSION DECISIONS.

---

**SUMMARY**

This resolution revokes the competitive carrier Certificates of Public Conveniences and Necessity (CPCNs) held by the 22 companies listed in the Discussion Section for failure to comply with Decision 93-05-010, Ordering Paragraph 4.

**BACKGROUND**

Decision 93-05-010 Ordering Paragraph 4 states that the Commission will consider the revocation of competitive carriers that are more than 90 days late in filing annual reports and remitting surcharges. The ordering paragraph is being used to demonstrate inactivity on the part of these carriers, not delinquency.

Several steps were taken to locate the 22 companies and determine their status:

1. Telecom Division's (TD) record of surcharge payments was searched.
2. Warning letters of pending revocation were sent to companies' last known addresses.
3. Notice of company names to be revoked was placed in the Commission Calendar. Interested parties were invited to call Telecom Division staff with questions or comments on these carriers' revocations.

## **DISCUSSION**

The companies whose certificates of public conveniences and necessity are revoked by this resolution are the following:

	<b><u>Type</u></b>	<b><u>CPCN#</u></b>	<b><u>Company Name</u></b>
1.	IEC	5644	Metrolink Communications, Inc.
2.	IEC	5646	Advanced Telecommunications Network
3.	IEC	5678	Universal Communications Network
4.	IEC	5681	Nucomnet
5.	IEC	5695	Educare Network, Inc.
6.	IEC	5705	Global Telecom
7.	IEC	5714	Long Distance Services, Inc.
8.	IEC	5715	Telmatch Telecommunications, Inc.
9.	IEC	5723	International Telemedia Associates, Inc.
10.	IEC	5741	WCI Communications, Inc.
11.	IEC	5747	Group Advantage Providers, LLC
12.	IEC	5750	Atlas Equity, Inc.
13.	IEC	5753	All American Telephone, Inc.
14.	IEC	5759	ACI Communications, Inc.
15.	CLR	5771	Telemanagement Advantage Group
16.	IEC	5787	Strategic Telecom Systems, Inc.
17.	IEC	5792	Ample Sky Telecom
18.	IEC	5794	Pick Communications Corp.
19.	CLC	5804	Digital Services Corp.
20.	IEC	5819	I.C.N., LLC
21.	IEC	5822	Inmark, Inc.
22.	IEC/CLR	5825	Cheetah Communications, LLC

If and when our records show that these companies were active, they paid all required surcharges.

The results of each search for these companies may be summarized as follows. TD's records show that none of the companies has submitted either surcharge forms or surcharges during the calendar years 2000 and 2001. Warning letters were sent to all the companies; however, no response was received from any company. TD's draft resolution in this matter was noticed in the Commission's Daily Calendar beginning on \_\_\_\_\_, in accordance with PU Code Section 311(g)(1). Comments were received from \_\_\_\_\_ on \_\_\_\_\_.

**FINDINGS**

1. The companies on the above list were certificated by the Commission as competitive carriers.
2. Adequate measures were taken by Telecom Division staff to locate these companies. Each company had failed to respond to TD's communications. It is, therefore, reasonable to assume that these companies are no longer providing public utility service.
3. The companies' CPCNs should be revoked and their Utility Identification Numbers should be cancelled for failure to comply with D.93-05-010 Ordering Paragraph 4.

**THEREFORE, IT IS ORDERED that:**

1. The competitive carrier Certificates of Public Convenience and Necessity granted to the following companies are revoked:

	<b><u>Type</u></b>	<b><u>CPCN#</u></b>	<b><u>Company Name</u></b>
1.	IEC	5644	Metrolink Communications, Inc.
2.	IEC	5646	Advanced Telecommunications Network
3.	IEC	5678	Universal Communications Network
4.	IEC	5681	Nucomnet
5.	IEC	5695	Educare Network, Inc.
6.	IEC	5705	Global Telecom
7.	IEC	5714	Long Distance Services, Inc.
8.	IEC	5715	Telmatch Telecommunications, Inc.
9.	IEC	5723	International Telemedia Associates, Inc.
10.	IEC	5741	WCI Communications, Inc.
11.	IEC	5747	Group Advantage Providers, LLC
12.	IEC	5750	Atlas Equity, Inc.
13.	IEC	5753	All American Telephone, Inc.
14.	IEC	5759	ACI Communications, Inc.
15.	CLR	5771	Telemanagement Advantage Group
16.	IEC	5787	Strategic Telecom Systems, Inc.
17.	IEC	5792	Ample Sky Telecom
18.	IEC	5794	Pick Communications Corp.
19.	CLC	5804	Digital Services Corp.
20.	IEC	5819	I.C.N., LLC
21.	IEC	5822	Inmark, Inc.

22. IEC/CLR 5825 Cheetah Communications, LLC

2. The companies' Utility Identification Numbers are canceled and will not be reissued.

This Resolution is effective today.

I hereby certify that this Resolution was adopted by the Public Utilities Commission at its regular meeting on April 18, 2002. The following Commissioners approved it:

---

WESLEY M. FRANKLIN  
Executive Director
